

## Food Safety Policy

---

### ***Policy Statement***

Create, Imagine and Learn ensures that all food-based sensory materials are prepared and handled safely.

### ***Food Hygiene***

The session leader holds a Level 2 Food Hygiene qualification and follows UK food safety guidance.

### ***Preparation & Storage***

Ingredients are sourced from reputable suppliers, stored correctly and prepared in a clean environment.

### ***Allergy Awareness***

All known allergies must be declared prior to attendance. Ingredients are clearly labelled.

### ***Cleaning Procedures***

All equipment and surfaces are cleaned before and after use to minimise cross-contamination.

### ***Policy Review***

This policy is reviewed annually.
