

GDPR Privacy Policy

1. Who We Are

Create, Imagine and Learn is committed to protecting your personal data in line with UK GDPR and the Data Protection Act 2018.

2. Information We Collect

We collect parent/carer contact details, child information (including medical or allergy details), and booking/payment information via Wix Bookings.

3. How We Use Your Information

Your information is used to manage bookings, ensure child safety, communicate about sessions, maintain records and meet legal obligations.

4. Lawful Basis for Processing

We process your data under legitimate interest (to run our classes safely and effectively), contract (to provide booked services), and legal obligation where required.

5. Data Storage & Security

Data is stored securely within Wix and/or password-protected systems. We do not sell or share your personal data with third parties unless legally required.

6. Data Retention

We retain personal data only for as long as necessary for business, safeguarding or legal purposes.

7. Your Rights

Under UK GDPR, you have the right to access, correct, restrict or request deletion of your personal data. You may also lodge a complaint with the Information Commissioner's Office (ICO) if you believe your data has been mishandled.

8. Contact Details
